Nourish your **skin**
reveal your **glow**

The most preferred synthetic steroid
in dermatology is.....

DEZORT-6/12/30

Tablet

Deflazacort 6/12/30 mg

- A synthetic corticosteroid with many advantages
 - Favourable pharmacokinetic profile
 - Peculiar pharmacodynamic properties
 - Good safety profile
- Effectively produces keratolytic, immunosuppressive, anti-inflammatory and antiallergic effects
- Induces lower risk of osteoporosis, sodium imbalance and metabolic disturbances

INDICATED IN

- Systemic lupus erythematosus
- Pemphigus
- Severe psoriasis
- Mycosis fungoides
- Sarcoidosis
- Chronic dermal allergies

When allergy keep your patients in house-arrest.....

FEXOFIN-M

Tablet

Fexofenadine HCl 120 mg +
Montelukast 10 mg

- Offers a non-sedative, second-generation, peripherally acting H1 antihistamine
 - Shows a low occupancy of H1 antihistamine receptors in the brain, which reduces the likelihood of sedation
 - Free from anticholinergic effects unlike other second generation H1 antihistamines
- Shows early onset of action with a statistically significant suppression of wheal size compared to levocetirizine and desloratadine
- Also depicts built in anti-inflammatory effect

INDICATED IN

- Seasonal allergic rhinitis
- Intermittent allergic rhinitis
- Perennial allergic rhinitis
- Asthma
- Contact dermatitis
- Chronic idiopathic urticaria

FEX

Eraze out all fungal infections with.....

FLUREZ-150/200/400

Tablet

Fluconazole 150/200/400 mg

- Shows excellent activity against Candida spp. and a first-line drug for invasive candidiasis
- Achieves excellent penetration into the CSF with concentrations ~80% of those found in the serum
- Offers just single dose treatment in vaginal candidiasis

INDICATED IN

- Dermatomycoses
- Systemic fungal infestations
- Opportunistic fungal infestations
- Candidiasis

Gives hair- its glory back with.....

HAIRCUTE

Tablet

Biotin + Niacinamide + Minerals +
Amino Acid

- Improves hair thickness and density significantly
- Improves nourishment to the hair root and hair follicle with mineral and aminoacids
- Promotes scalp hair circulation with niacinamide
- Increases the hair growth speed and reduces diffuse hair loss and baldness
- Useful in patients with biotinidase deficiency which causes hair loss

INDICATED IN

- Female pattern baldness
- Post-partum hair loss
- Hair loss after cancer chemotherapy
- Thinning of hair

A veteran antifungal agent is.....

ZYNOREX-200

Tablet

Ketoconazole 200 mg

- Highly effective in treating superficial fungal infections
 - Reaches the surface of the skin through normal blood circulation, sweat and sebum (skin oils)
 - Very high concentrations of the drug develop within the skin
- Just single dose treatment for pityriasis versicolor

INDICATED IN

- Dermatophyte infections of the skin
- Cutaneous candidosis
- Chronic Candida paronychia
- Pityriasis (tinea) versicolor
- Seborrhoeic dermatitis
- Subcutaneous fungal infections
- Vaginal candidiasis

ALSO AVAILABLE

ZYNOREX SOAP

75 gm

ZYNOREX CREAM

Ketoconazole 2% w/w

30 gm/50 gm

Effectively counter local, invasive fungal infections and systemic mycosis with.....

ITWELL-100/200

Capsule

Itraconazole 100/200 mg

- A triazole antifungal agent with broad antifungal properties
 - Active against dermatophytes, Candida species, Cryptococcus neoformans, Torulopsis species, Pityrosporum species, Aspergillus species, Sporothrix schenckii, Dimorphic fungi, Dematiaceae and various other organismse
- Offers characteristic pharmacokinetics
 - Faster and deeper absorption
 - Higher tissue concentration
 - Highly lipophilic and higher concentration in keratin tissues

INDICATED IN

- | | |
|-------------------------|-----------------------------------|
| • Dermatomycoses | • Systemic fungal infections |
| • Pityriasis versicolor | • Opportunistic fungal infections |
| • Onychomycosis | • Invasive fungal infections |

A drug of choice for the management of severe recalcitrant nodular acne is.....

TRESO-10/20

Soft Gel Capsule
(Micronised) Isotretinoin 10/20 mg

- The strongest, most effective oral treatment for patients with severe acne vulgaris
- Provides remission rates of 89% and higher
- Offers advantages of micronized formulation
 - Offers a safety profile similar to that of standard isotretinoin
 - Carries a lower risk of mucocutaneous events and hypertriglyceridemia
- Improves patient compliance with once-a-day administration due to higher bio-availability

INDICATED IN

- Acne vulgaris
- Acne rosacea

Skin- Not just a body covering layer, a beauty-enhancing part too. Keep its integrity intact with.....

E-LOOK

Soft Gel Capsule

Wheat Germ Oil 400 (Vitamin E)

- A unique source of concentrated nutrients
 - Offers nutritionally enriched oil with plenty of vitamin E
 - Provides significant quantities of bioactive compounds such as tocopherols [300-740 mg/kg dry matter (DM)], phytosterols (24-50 mg/kg), policosanols (10 mg/kg), carotenoids (4-38 mg/kg),
- Also rich in triglycerides (57% of total lipids), mainly linoleic (18:2), palmitic (16:0) and oleic (18:1) acids
- Provides nourishment to the skin and prevents UV-induced oxidative damage
Prevents sunburned cell formation, lipid peroxidation, and edema/inflammation

INDICATED IN

- Sunburn
- Premature wrinkling of the skin
- Degenerative skin changes due to environmental factors
- Cosmetic-induced unwanted skin changes

For allergic & hyperkeratotic
skin disorders.....

DELCORT-40

Injection

Triamcinolone Acetonide Inj. 40mg/ml

- Produces anti- inflammatory, antiallergic and immunosuppressive effects with anti-proliferative effects on keratinocytes
- Helpful in atopic dermatitis or lichen planus when used intramuscularly as an alternative to oral corticosteroids
- Useful as intralesional injection
 - Bypasses the barrier of a thickened stratum corneum
 - Reduces the chance of epidermal atrophy (surface skin thinning)
 - Delivers higher concentrations to the site of the pathology.

INDICATED IN

- | | |
|---|--------------------------------|
| • Alopecia areata | • localised psoriasis |
| • Discoid lupus erythematosus | • Necrobiosis lipoidica |
| • Keloids/hypertrophic scars | • Acne cysts |
| • Granuloma annulare | • Small infantile haemangiomas |
| • Hypertrophic lichen planus | • Other Localised inflammatory |
| • Lichen simplex chronicus
(Neurodermatitis) | • Skin diseases |

Impart moisture to the skin for its better glow with.....

DELMOIST 75 gm

Cream

White Soft Paraffin + Liquid Paraffin + Alovera +
Vitamin E + Glycerin + Shea Butter +
Stearic Acid + Cetyl Alcohol + DM Hydantion

- Acts as humectant and retains moisture in the epidermis
- Effectively replenishes urea and lactic acid levels
- Helps repair the physical barrier of the skin and prevents moisture loss through the epidermis

INDICATED IN

- Senile xerosis
- Post-menopausal dryness of the skin
- Drying skin due to diabetes mellitus
- Radiation dermatitis
- Sunburn
- Acne
- Rosacea

An azole antifungal with difference is.....

LULICS

10 gm/30 gm

Cream

Luliconazole 1% w/w

- Different from other azoles with extremely strong anti-dermatophytic properties
- Also exhibits favorable activity against *Candida albicans*, *Malassezia* spp., and *Aspergillus fumigatus*
- Ensures excellent local tolerability and a lack of systemic side effects
- Approved by Japan and US FDA

INDICATED IN

- Superficial dermatomycoses
- Pityriasis versicolor
- Onychomycosis
- Candidiasis

Make skin velvety smooth with.....

ALODEL

100 ml

Lotion

Aloe vera + Silicone Oil + Shea Butter
+ Vitamin E + Allantoin + Natural Emollient

- Provides Aloe vera with multiple properties

- Increases collagen synthesis
- Protects the skin against photodamage
- Produces antiallergic and anti-inflammatory effects

- Acts as natural moisturizer and produces anti-ageing effect

Aloe stimulates fibroblast which produces the collagen and elastin fibers making the skin more elastic and less wrinkled. It also has cohesive effects on the superficial flaking epidermal cells by sticking them together, which softens the skin. The amino acids also soften hardened skin cells and zinc acts as an astringent to tighten pores.

[Amar Surjushe, Resham Vasani and D G Saple: Indian J Dermatol. 2008; 53(4): 163-166.]

- Extends built-in support of other natural emollients, moisturizers and viscosity enhancers to improve texture, elasticity and barrier function of the skin

INDICATED IN

- Senile xerosis
- Postmenopausal dryness of the skin
- Drying skin due to diabetes mellitus
- Radiation dermatitis
- Sunburn
- Acne
- Rosacea
- Hyperkeratotic conditions

Eradicate ectoparasites with.....

SCARDEX 60 ml

Lotion

Permethrin 50 mg/ml

- Very effective against a large variety of insects and mites
- Extends low mammalian toxicity and virtually no allergic side-effects
- Safe, reliable and cosmetically acceptable in the treatment of infestations with head lice
- Also useful for prevention of reinfestations

INDICATED IN

- Lice infestation
- Scabies infestation

ALSO AVAILABLE

SCARDEX SOAP

Permethrin 1% w/w

75 gm

A medicated soap for disinfecting the skin is.....
